Agenda Items

Boathard User's Meeting Wallace & Oli to attend 12:30 tomorrow (9th October)

Funding/NSR & BUCS Wallace and Ollie are going to sort out applying for the 2nd round of funding. Wallace then has a meeting with Evan afterward, to sort out whether our BUCS money can be used for NSR.

Training & Sign- Ups All sign-ups for river and pool sessions will go up at 7am the day before, with the list of people being released at 7pm. A post needs to go onto the freshers' page for this.

We need to include a link to the Facebook group in our emails, as this is where most things are organised. A logo/picture needs to be added to these, and the address on the emails needs changing too.

Safety + Safety Talk Annie needs to book a room for the safety talk – ideally the room we used before, or for the AGM, otherwise just a large lecture theatre. This is to run next week, before the pool.

Pete will be correcting the PowerPoint for the safety meeting, and we need people to demonstrate.

Equipment Broken wetsuits are becoming a big issue – Mike needs to chase Lomo, Wallace is going to see how much he can get wetsuits from “gb pro” for and Mike is going to get quotes from Desperate Measures & Gill. There is also a sale on at

Wetsuit Outlet according to Taylor.

Some spare parts and airbags have been ordered from the money in our account at DM

Web Sec/EGMThe provisional date for the EGM should be Wednesday 16th before the social. So far only Lilou is running – if only Lilou runs, we'll organise a Facebook vote.

We need to create a new Facebook post inviting candidates to run.

TripsPerranporth was a success, despite the shortage of people

Doug is to pay for the surf board he broke – the surf club want £25

Mike and Ollie are still going to organise the Scotland trip – even if they aren't going. Two people need to be designated to be in charge of the trip at the time.

Oli needs help with the Usk trip – he is now organising it alone (no Jacob), and there are only two committee members aiming to go on the trip (Oli & Wallace). Can we encourage enough ex-committee to go? Oli needs to sort out leaders first.

Hoodies + T-Shirts We want to sort out the hoodies and T-Shirts earlier this year – we want to see whether we can make some better, printed T-Shirt designs. Everyone is to sort out a T-Shirt design, then we'll see whether it can be made.

Mike is going to email SilverStick to be their new contact.

Socials ???was made by selling the fundraiser tickets, which has now been collected.

For fancy dress, the committee members need to pin logos to costumes, so people know who the committee members are. Is someone able to sort out a set of logos?

Next Committee Meeting Date

Monday 14th October, before the pool session.
